Dear Sir:

This paper is responsive to the Office Action issued June 2, 2005 in connection with the above-identified patent application

CERTIFICATE OF MAILING

I hereby certify that this **RESPONSE** A for U.S. Serial No. 10/720,400 is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, PO Box 1450, Alexandria, Virginia 22313-1450 on this 14 day of June, 2005.

With reference to the Office Action, Applicants point out that claims 1-20 are pending in the application. However, only claims 1-11 have been examined. More particularly, the Office Action fails to address claims 12-20.

Per a telephonic communication from Examiner Barefoot received by Applicants' attorney, Brian Kondas, on June 13, 2005, the Examiner has indicated he will issue another Office Action addressing all claims pending in the application.

It is believed that there is no fee associated with the filing and consideration of this response. Should the Commissioner decide that any fee or fee deficiency is due, the Commissioner is hereby authorized to charge any and all such other fees incurred as a result of entering this amendment and response to deposit account number 03-0172.

Respectfully submitted,

CALFEE, HALTER & GRISWOLD LLP
